RE: New Hampshire Supreme Court Society - Membership

Dear Ted:

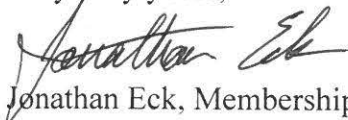

We are pleased to acknowledge your 2024 New Hampshire Supreme Court membership donation in the amount of \$200, received on or about December 6, 2023 and paid by Lothstein Guerriero PLLC. The New Hampshire Supreme Court Society is a registered 501(c)(3) non-profit organization. No goods or services were provided in exchange for your contribution. This gift is considered a charitable contribution.

It is through your membership that our projects are supported. The Society is an all-volunteer organization with no office or significant overhead. The resources raised from annual membership dues support the projects we take on together.

As a member, you will receive priority invitation to all Society events, as well as the chance to work on Society projects should you have time and interest.

As always, members are welcome to volunteer for projects or to propose new ones. Feel free to call or email our President, Doreen Connor, at (603) 626-3300, dconnor@primmer.com. Keep your eyes open for membership e-mails and invitations.

Very truly yours,

Jonathan Eck, Membership Chair

Thanks, Ted!
