Dear Ted,

Thank you for sponsoring the New Hampshire Bar Foundation's (Foundation) 2025 Annual Dinner. It was a wonderful celebration of the Foundations' many achievements over the last year.

This year's dinner was especially meaningful, as the Foundation celebrated the largest IOLTA grant awards in our history, our award winners and many other accomplishments. The speaker Pam Custer talked about the importance of civics education and the role we all play to help educate the next generation.

Your generous sponsorship of the Foundation provides significant financial assistance for access to justice, spotlights the rule of law and civics education within New Hampshire communities.

Again, thank you for your support.

Sincerely,

Scott Harris, Esq.
Chair, NH Bar Foundation
